Report from the Chair

I would like to acknowledge the support of Bevan Brennan Assistant Director-General State Schools - Operations as Chair of Queensland School Sport Council and to thank him for his efforts to promote the importance of Queensland School Sport.

As a member body, Queensland School Sport continued to be at the forefront of national sporting programs. We have not only had incredible success at the national level but have also played a lead role in positioning ourselves at the leading edge of administration. We continue to

- support a number of National Secretary positions in a range of sports,
- host outstanding championships

I sincerely thank all involved for the important contribution that they have made in keeping our strong position in the School Sport Australia program.

The success of our Queensland School Sport teams over the years has been impressive and this year’s results are well worth celebrating.

Our well organised, inclusive and representative school sport program, conducted throughout the State has underpinned these excellent results. It is testament to the passion, dedication, hard work and determination of our teachers to make a difference to students through school sport. With ever increasing work demand, the commitment that teachers make to volunteer to run our programs, at school, district, regional and state level, is recognised and celebrated.

Thank you to the Members of QSSC and QSSMG, the Sport Specific Committees and their executive members, the regional delegates, Regional School Sport Officers and the team at the Qld School Sport Unit for their work in putting our programs together. I would also like to pass on my appreciation to my principal colleagues across the state who actively support school sport and the teachers in their schools who get involved and run sports’ programs. Through the efforts of all of these staff the amazing sports’ program is delivered largely through volunteer effort.

Congratulations to all state team officials for their overall management and coaching of our State representative teams.

Congratulations to all 2014 award recipients, in particular life members Ken McGuire 18 years Baseball, Janelle Anderson 19 Years Softball and Helen Beasley 19 years Softball, for their extensive contribution to school sport throughout their careers.

Thank you also to Mr Ian Healy and his team at Future State Greats who are supporting our kids to reach for the stars. This valuable work often goes unheralded however for schools and families it is invaluable.

In 2015 I look forward to whatever support you can give as I believe it does make a difference and the kids you work with appreciate it for life.

Highlights

• The opportunity that our Regional Trials provided for 3750 students to strive for regional selection and to the 1200 students that were selected to represent Capricornia teams in 2014.
• Congratulations to the many students and officials who were selected to represent Queensland and Australia in 2014.
• The success of the 6 State Championships hosted in 2014 which have been a credit to the convenors and planning committees showcasing the skills of visiting students and team officials.

Acknowledgments

I would like to thank all involved in school sport within Capricornia; particularly our board members, District Executives, Team Officials and volunteers who have given their time willingly to provide students an opportunity to participate in school sport programs. I also thank the Administration in each of our schools for their support of school sport within our region.

I acknowledge the support of our various venue managers for Regional Trials and State Championships conducted within Capricornia in 2014. Their ongoing cooperation ensures the best possible outcomes are achieved by all students from throughout our region and the state.

Finally, thanks go to Shannon, Joan and Emily for their ongoing efforts and support of players, schools, districts and officials within our region. Their tireless work and dedication to provide quality sporting programs for students in this Region is to be commended.

Regional School Sport Officer, Capricornia
# Darling Downs

**Chair**
Mark Creedon  | Darling Heights State School

**Regional Sports Officer**
Wayne Beeston  | Darling Downs School Sport

In 2014, Darling Downs School Sport Board consisted of nine (9) 10-12 Year Zones and three (3) 13-19 Year Districts. State & Non-State Schools are involved in all zones and districts.

The Board acknowledges the commitment and dedication shown by Zone/District Committees throughout the year. All staff in the representative sport programs are volunteers. These dedicated individuals including Executives, Regional Delegates, Coaches, Managers, Convenors and Board Members, all donate considerable time and effort to give our students the best possible opportunity to gain selection in a quality representative program.

After conducting a briefing for Regional Convenors in December 2013 (to allow them sufficient time to plan the early trials) we held another in-service program for coaches, managers and trainers in February this year in preparation for the year’s events. This process seems to be the most effective method of inservicing the significant number of officials in the shortest period of time. Again this year we placed all standard forms and procedural documents, policies etc onto our web site to try to reduce the cost previously incurred in producing handbooks. Feedback from officials has been generally positive as teachers are able to print only the forms that they require.

We have had another substantial state championship program in 2014 with hosting responsibilities for five Championships.

- 15 Years Australian Football: Morningside AFL Club 22 – 25 May. Convenor: Ben Lloyd (Victoria Point SHS)
- 11 Yrs Rugby League Inter-regional Championship: Wynnum Manly Rugby League Club 7 – 11 July. Convenor: John Masters (MESSO)
- 10 - 12 Yrs Cross Country State Championships: John Paul College 18 – 19 July. Convenor: Leigh Francis (Rochedale SS)
- 12 Yrs and under Rugby Union State Championship: Sunnybank Rugby Union Club 29 – 31 August. Convenor: Micheal Austen (MacGregor SS)

The current Met East Sport Board Policy of not asking for or offering billets at a State Championship certainly made the coordination of our State Program much easier this year. This is a transition year for Qld School Sport in relation to its Accommodation Policy and Met East has reacted to the planned changed along with the Darling Downs Region. Our only concern will be ensuring that students are not forced to withdraw from our teams because they do not have accommodation at a State Championship. To date we have not been notified that this has been a problem.

Thank you to all of our State Championship convenors who volunteered to take on another challenging job on top of their already busy sport commitments. Thank you also to those teachers who assisted us at the championships. As expected, all events went to plan and the region is extremely lucky to have such a dedicated group of teachers who are prepared to offer so much of their time to assist in the organisation of these championships. We are also extremely fortunate to have supportive clubs who are prepared to offer the use of their facilities for these events.

The Metropolitan East School Sport Board has been active in 2014 and we believe that we lead the state with our initiatives. The Board continues to grapple with the continually increasing operating costs and the challenge of ensuring that our program does not become too costly for schools and students to participate. The Board continues to investigate alternate funding sources including sponsorship, but school communities need to make allowances for increased costs to participate in the program.

One of the major Board challenges this year has been the transition of Year 7 students to high schools. After considerable review and discussion the Board agreed to undertake a review of our District Boundaries to determine if the current structure would work effectively in 2015. It was determined after consultation with various stakeholder groups, that we do restructure our Districts which has led us to amalgamating 2 primary and secondary Districts, disbanding one secondary District as well as changing the allocation of various schools to Districts. I would particularly acknowledge John Masters for his work on this project along with District Secretaries who have offered their opinions, their knowledge and their support. Metropolitan East is a difficult region geographically to group schools and the changes that we have proposed have been developed on the notion that changes to Districts would not negatively impact on either the representative or inter-school sport programs. The Board will monitor the progress of the Districts across 2015 and review the results.

The ongoing development of the Metropolitan East School Sport Web Page is a tribute to the work of Jim McDonald. Jim is responsible for the design and development of this site and there is no doubt that we have the most up to date school sport website in the State. Unfortunately this year we were notified by Web Services that we were no longer able to maintain a .com website due to security concerns and the G20 Summit. This has meant that we have to completely rebuild our website on a new platform resulting in countless hours of emails and meetings with various staff from Web Services. We have negotiated a
reasonable outcome regarding the “Look” of the site and we anticipate the new site being live by the end of the year. By the time the site is rebuilt, Jim will have spent hundreds of hours working on the design and his contribution to our program through his management of our website should not be understated.

All regional officials documents, polices and calendars, a photo gallery, a section on recent news events along with pictures of all uniform items are housed on the site. The ever increasing number of hits on the site proves its worth and we thank Jim for his dedication to this task. The number of visits to our website is shown on the graph that follows. At the time of compiling this report we had had a total of 51249 visits for the year, the first time we have topped 50000.

Our relationship with Sport and Recreation Qld through the Department of Communities has led to the continuation of the free coaching/officiating accreditation program. Due to our work on this program, all regions across Qld continue to benefit through a state-wide funded scheme of accreditation courses and again, Metropolitan East is seen as the benchmark for this program. Last December, approximately 300 teachers attended the Met East courses offered free through Sport and Recreation Qld and we hope that this increased base of accredited teachers will translate to more, better skilled, fitter students in our schools. The scheduled date for the final 2014 course is 10 December although we now offer additional courses in Met East and other areas of the State throughout the year. A student only course is also planned for Marsden SHS next year. Special thanks go to Steve Paulson (Sport and Recreation Qld) who coordinates the program. The total number of teachers accredited under the Met East program will easily exceed 6000 since the program began in 2000. This is a huge boost to the quality of sport education programs occurring in our schools, as well as a great saving in professional development costs to schools.

Our agreement with the Metropolitan North and Metropolitan West Regions to collectively target potential sponsors continues but the current economic climate makes sponsors difficult to find. The Preferred Supplier Arrangement for the supply of sporting apparel to all regions in Queensland results in a rebate on apparel purchased being paid back to the region. We thank proprietor Gail Everett for her tremendous support of our regional program even though we no longer have a formal sponsorship arrangement. I thank those Districts who have made an effort to support our suppliers by giving them the opportunity to tender for their apparel range. Schools and Districts are encouraged to support the suppliers on the PSA as Met East will benefit from any purchases.

We have also entered into an agreement with company AusRecruit who provides a service for talented athletes who wish to access the USA College Scholarship Program. Whilst this agreement is in its infancy, AusRecruit has offered the region the opportunity to provide 2 scholarships free of charge to selected Metropolitan East athletes. More information on these scholarships will be provided next year but we are certainly hoping our secondary schools will support this agreement and that it might grow further for even greater benefit to the region. We will continue to work on other tiers of sponsorship in 2015.

Continued cooperation between regions with regard to transport means lower costs to parents. On many occasions during 2014 we benefited in a reduction of costs for students by sharing road transport. We are currently finalising all 2015 air travel arrangements to ensure that we have seats confirmed for all team members. We do however continue to look at alternative transport modes such as the Tilt Train to try and reduce the cost to our students. Unfortunately it is difficult to try and coordinate alternate means of transport with the time requirements of our program. We are also concerned with the ever increasing cost of air travel and the decreasing availability of suitable flights. As we move towards a new accommodation policy, it is important to remain conscious of the impact of policy changes and travel schedules on the families of Met East athletes. In the majority of cases now, the whole family will attend a State championship and this can be at considerable expense. Met East has been vocal in trying to make the QSS roster more flexible taking into consideration the cost and difficulty for parents to attend these events.

The efforts of the Sports Office staff should also be acknowledged. The commitment to the program shown by John, Marisa and Kim is outstanding and we are certainly fortunate to have had not only stability within those positions, but a truly professional approach to the jobs. John has now worked with me for 12 years, Marisa for 17 years and Kim for 3½ years and if circumstances dictate that one of us is away, it means there are capable people in the office able to take control. Unfortunately salary costs make up a large percentage of our budget and this cost will continue to rise but the staffing level is necessary to ensure we maintain the high standard of our program. Special mention is also made to Jim McDonald for his support and friendship during the year and his dedication to school sport in the region.

I would like to offer my sincere thanks to all those in the Region who have had any involvement with
the representative sport program whether it is at school, district, region or state level. I would particularly highlight our ten district sport committees who work so hard to ensure that all students have the opportunity to participate in school sport. Their contribution is not unnoticed, and they are the backbone of implementing sport policies, organising interschool fixtures and district trials and carnivals. I would also acknowledge the leadership of the Metropolitan East School Sport Board members. As I stated earlier, we are seen as a leading region in Queensland and our Board continues to be one of the most proactive. All members give generously of their time, and their expertise across a wide range of the issues that we tackle, assists us to maintain our enviable sporting reputation.

The position of Chair of the Met East Board is nominated by the Regional Director and once again we were pleased to have confirmation that Paul Bancroft (Principal Cleveland District SHS) would take on the role of Board Chair. Paul has been active throughout the year attending various State Championships as well as dealing with a number of issues that draw heavily on his time. Paul is also heavily involved in the sport program at a school and district level and still coaches school teams. I also acknowledge the work of the Metropolitan East School Sport Management Committee Chair, Keith Graham from Chatswood Hills/Algester SS. Keith is a passionate supporter of school sport and has given freely of his time as both Chair and regional sport official.

We were also pleased to have Rob Seiler as the EQ representative on our Board. Rob demonstrates a keen interest in the program and actively advocates on our behalf. The situation of having our schools split across two Education Regions does cause some minor problems particularly in relation to office location and maintenance but the Regional Directors have been very supportive of us maintaining our existing organisation and structure. Unfortunately Rob has had to step down from the Board due to a change in position and we thank Rob his leadership, understanding, advocacy and support. Rob’s replacement as Director within the region is Kym Amor. Kim has indicated a desire to be involved in the program and we look forward to working with her in 2015.

This year also saw the sad passing of long-serving Board member Ralph Surtees. Ralph had been a Community Representative on the Met East Board since 2003 and made a significant contribution to the program. His humour along with his constant concern over how any decision would impact on the student will be sorely missed.

With the permanent appointment of Vicki Aley to the Qld School Sport Unit, we will be looking to replace her position on the Board in 2015. Vicki has made an enormous contribution to our program as a dedicated teacher, sport coordinator, District Secretary, Regional Delegate, Regional Manager, Regional Convenor as well as State and National Championship Convenor. Vicki has been one of our “Go to” people over the years and we wish her well in her new position.

We also welcomed in 2015 Peter Foster (Headmaster John Paul College) to the Board as a Non-State Secondary School Principal. Peter has involvement in the representative sport program as both a teacher/headmaster and a parent and we thank him for his offer to serve on the Board and look forward to his input. Peter has already provided access to his school as host of the 2014 State Cross Country Championships.

On behalf of the Board, sincere appreciation is extended to all Metropolitan and South East Region Senior Management personnel and all affiliated school principals and staff.

Dave Porter

We have completed our state championship roster for 2014. My thanks to the Convenors and staff who so ably conducted these programs. Met North has a reputation for running extremely good programs and is a showpiece in the state. As well we again co-ordinated the “WhichWay Touch” competition in conjunction with Queensland Health and the Queensland Police Service. This is a wonderful opportunity that we offer the Indigenous students in our schools and one which is unique around the state in its partnership of the three departments. Congratulations to Bray Park State High on a great win. Thankyou also to Everton Park State High School, and in particular, Principal Sue Wallace and convenor Michael Lynch. Good job!

We have enjoyed another year of wonderful support from our major sponsor, Sportswear Qld. It’s not just the financial support which is very special but the extra little things which go into our relationship which sets it apart. To our other sponsors a huge thank you also. Sport Sno, Coffee Royale, and Elite Merchandise. We look forward to working with them again in 2015.

As we close another year, applications for regional positions have closed and a second round in some offered. It is vital for our students, teachers volunteer for these roles. Equally as vital is the support of Principals. I encourage each Principal to support their staff members in pursuing regional and state activities in 2015.

I would like to acknowledge the work of our district executives, who have worked so hard to deliver sporting opportunities for our schools. We have covered a lot of ground this year in terms of accountability and conformity. I am very proud to say Met North has very strong districts and this is reflected in our results at a higher level. In 2014 Met North has had over 250 state and National representatives. Congratulations.

To the members of our Sports Board, I give my sincerest thanks. Our region is lucky to have such professional and dedicated people who are passionate about sport and prepared to spend time serving on the board.

Finally, I would like to publicly thank my team for being so positive and supportive in what has been a very challenging year. Thank you to Ron, Jo and Cassie for putting in the extra work and time to deliver service to our schools and districts which I believe is both timely and helpful. I look forward to 2015 confident in our ability to deliver, change, adapt and be ready for whatever might eventuate.

HIGHLIGHTS
• Our Regional Trials provided an opportunity for 7016 students to strive for Met West selection.
• 1522 students were selected to represent Metropolitan West teams in 2014.
• XXX students and 19 Officials selected for Queensland in 2014.
• The 5 State Championships Hosted in 2014 showcased the skills of over 1100 visiting students and team
 officials.
• Our Partnership with the Cancer Council Queensland Pink Ribbon Day Fundraising – 10-19 years Golf
 team in conjunction with the State Championships raised $1,711 bringing our total since 2008 to over
 $37,800.
• We acknowledge and appreciate the support of the following:
  - The University of Southern Queensland: Springfield Campus
  - Ipswich City Council
  - Queensland Lions Football Club

I would like to take this opportunity to thank all involved in school sport within Metropolitan West –
particularly our Board members, District Executives, Team Officials and volunteers who give their time for
student sporting opportunities. I sincerely thank the Administration in each of our 220 schools for their
support of school sport and the valuable experience that their staff members and students gain through
participation.

I gratefully acknowledge the support of our Venue Partners for the State Championships conducted within
Metropolitan West throughout 2014 – Ivor Marsden Complex, West Moreton Anglican College, Eastern
Taipans Cricket Club, Ipswich Grammar Park, Logan Metro Indoor Sports Centre, Oxley Golf Club and
Ipswich City Council.

Finally, thanks to Cassie and Mark for going above and beyond in their support of players, schools, districts
and officials and sports within the region. Their tireless work for this Region is appreciated by me and
my predecessor.

HIGHLIGHTS

- The exceptional success of the three state and one national championships Northern hosted this year has been a credit to the efforts of the convenors and planning committees. Well done Michael, Ian, Craig, Leon and Allan!

- Congratulations to the seventy talented Northern students who were selected to represent Queensland and three Australian representatives in 2014.

- I would like to acknowledge the cooperation received from the various venue managers and local community sport organisations. Their ongoing support ensures that the best outcomes are achieved for all concerned.

- Particular thanks go to Sandy Nordine who once again has brought efficiency and innovation to the Sport Support Officer role this year. Sandy’s dedication and hard work has played a large part in our continued ability to provide a high quality program for the students of Northern Region.

*Peninsula School Sport*
The overall depth of talent in the region saw South Coast School Sport (SCSS) representative teams earn first three (3) places in approximately 65% of the championships contested. South Coast teams were declared winners in 2014 in twenty two (22) Queensland School Sport (QSS) State championships this year. Students and parents alike take great pride in viewing the many team photos and trophies that adorn the SCSS Office celebrating the great efforts of our athletes and officials. Congratulations to all who have contributed to these amazing results.

Some statistics:

5000+ Students attended regional trials
1537 Students selected in South Coast Regional teams
198 Students gained selection in Queensland teams
2 Students gained selection in Australian teams

To compliment this:

26 Teacher officials were selected as either Qld. or Australian officials
5 Teachers’ convened state or national school sport championships

**Highlights**
Preparation for Year 7 students entering high school in 2015 led to significant reform in the District Sports structure. The formation of Districts to cater for students from 10 years to 19 years was a major undertaking particularly when considering the size and diversity of our region. Our capacity and willingness to manage this significant reorganisation demonstrates our commitment to ensuring the best outcomes for our students, in particular those Year 7 students who will transition to high school for the first time in 2015. We will now have four (4) 10-19 year districts commencing in 2015. They are Broadwater, Hinterland, Oceanic and Pacific Rim.

We now have a seamless structure for representative school sport program in the South Coast region with four (4) 10-19 year districts commencing in 2015. They are Broadwater, Hinterland, Oceanic and Pacific Rim. All feeder schools have been linked with their respective secondary schools. Issues were identified with respect to size of districts, non-alignment of some schools in primary and secondary sectors, inequity in size of districts and perceived advantage of some districts to nominate. These issues have all been addressed with realignment process.

**Financial Audit**
The audit overall indicated that the management CONTROLS operating are VERY EFFECTIVE. The financial statement present fairly the financial position of the South Coast School Sports Board as at 31 December 2013 and the results of its operations and its cash flows for the year then ended.

**State Championship Results**
While South West did not top the standings in any of the state championships during 2014 all teams acquitted themselves admirably. The year saw a continuation of previous trends with large numbers of former students from the region, now attending boarding school and/or on sporting scholarships, representing other regions.

In individual sports, mention must be made of the efforts of Joanna Hills [Miles] in cross country. Joanna made the Queensland team again this year meaning she has been a member of this team every year from when she first qualified as a 10 year old. A great achievement for a student from a small rural centre.

The 12years girls cricket team narrowly missed contesting the final at the state carnival and eventually finished 3rd, a great result for this growing sport. This is the third year running that this team has made the semi finals. Gina Bidgood earned selection in the QSS team and Chloe Murphy in the SSA Invitational team.

The opportunities presented to students and staff to develop and refine their skills at the representative level continues to have enormous impact on communities in the region. The close relationship between school and club sport is only enhanced by the positive influence of being able to participate at the highest levels.

**State Championships Hosted**
- South West hosted the following state carnivals in 2014:
- QSS 10 - 12 years Tennis state carnival held at USQ Tennis Centre. Having the use of such a great venue ensured the carnival ran smoothly and efficiently. Appreciation Lachlan McKensey [carnival convenor], Vanette Tobin [chair QPST], Don Bell [Chinchilla Tennis Association & USQ court supervisor], Vicki Aley [SSU] and TQ for their support of the carnival.
- QSS 10 - 12 years Boys Football state carnival was held at the Roma State College fields. Despite some issues with ground preparation this was a very successful carnival. Much appreciation to Martine Waldron [convenor], Prue Mitchell [convenor], Peter Haslett [QPSF] for his efforts in organising the student officials to attend the carnival, the student referees who officiated at the carnival and Steve Rowell [SOM] and the FQ refereeing supervisors who worked with the referees during the carnival to provide guidance and feedback for the referees continued development. All of this hard work ensuring the success of the carnival.

**REGIONAL AWARDS**

- Life Member Award – Stacey Adamson [Taroom SS]
- Service Award – Nicole Statham [Miles SS], Sarah Goddard [St George SS], Tony Manteufel [Miles SHS].
- QSS Regional Service Award – Rowie Price [Roma SC]
- Future State Greats: Primary – Chloe Murphy [Thallon SS]; Secondary – Will Howard [Tambo SS] – a tremendous recognition of an Athlete With a Disability from a very small rural town who earned selection in both the QSS Cross Country and Athletics teams.

**HIGHLIGHTS/APPRECIATION**

- Life Member awards presented to Stacey Adamson as recognition of her service to the students in the region over extended periods of time at both the management and team official levels.
- The test of the amalgamation of primary and secondary sport districts in 2010 will be put to the test in 2015 with the move of year 7 to high school. It is expected that the improved communication between sectors has already resulted in improved opportunities for students to represent the region.
- Rowie Price being honoured as the South West recipient of the QSS regional service award.
- The value of the support parents give to our students cannot be overstated. In a year where we sent teams to all corners of the state, from such diverse centres as Mt Isa, Cairns, Townsville, Rockhampton & the SE corner, less than ten students required billeting. To our parents thank you for continuing to ensure that wherever our teams play there is always an enthusiastic section in the crowd offering their support.

Host Venue: Townsville (Tony Ireland Studium)  
Dates: 5th June - 8th June  
Convenors: Leon Stubbs, Allan Georgee

**RESULTS**

City Pool Champions - South Coast  
Country Pool Champions - Peninsula

The State Championships were held at Tony Ireland Stadium in Townsville. Thanks to Northern School Sports Region, Rob Armstrong, RSSO and Leon Stubbs and Allan Georgee, Co-Convenors and their hard working team for all your efforts to make this years’ carnival a great success in perfect weather conditions.

The regions were divided into two pools. City Pool containing the South East QLD regions and a President’s Invitational Team (made up of students from SE regions and Northern/North West regions). The Country Pool consisted of Capricornia, Darling Downs, Northern, Peninsula, Wide Bay and the AFL Cape York Crusaders invitational team. South Coast was announced as the City Champions and was undefeated throughout the championships. Peninsula was the winner of the Country trophy. The final day also gave us the opportunity to play crossover games between pools, with Peninsula defeating Met North in a closely fought game. For the fifth year, a Queensland Country side was selected to play Met West on the final playing day. Congratulations to the players and officials associated with this team. It is a valued concept to recognise the efforts of country players at the championships.

STATE TEAM PREPARATION
The state team trained weekly during the 7 weeks leading up to the Championships in Sydney. Training was held at Everton Districts Junior Australian Football Club and a team training camp was held at Tallebudgera Active Recreation Centre during the June/July holidays. The state team had one trial game and excellent preparation prior to the Championships.

NATIONAL CHAMPIONSHIPS
The Joint 12/15s boys and 16s girls National Championships were hosted by NSW School Sport in Sydney on the 19-26 July. Each state/territory played 5 games over the week, with an excursion day in the middle of the week.

**Highlights of the Year**

- The State Championships in Townsville (Tony Ireland Stadium) was an outstanding success. This was the first time that Northern Region has hosted a 10-12 year old Queensland State Championships. The facilities available to all players and officials were outstanding. The championship games were played in competitive but friendly atmosphere which encouraged learning on and off the field. The inclusions of our two Invitational teams the “Crusaders” and “Presidents” continue to value add to our championships.

- 275 players and 10 umpires from across the state commenced their Australian Football pathway.

- Life Membership - Kristen Knight (Peninsula) only the second female to receive life membership.

- QPSAF Recognition Award - Leon Stubbs (Northern)

- Very competitive Qld Blaze side who represented our association at the National Championship in Sydney

- The highly professional preparation of the Qld Blaze before the National Championship in Sydney

- AFL Debuts of Gold Coast Suns players Clay Cameron and Andrew Boston-past Qld Blaze Players

- Liam Dawson, past Qld Blaze player drafted by the Brisbane Lions

Treasurer                    Dave Chettle           Woodcrest State College

I would like to thank the outgoing Executive members of Craig Homer (Chair) and Andrew Reid (Treasurer) for their dedication and commitment to the 12 years and under Basketball Committee.

The Management Committee for the sport of basketball consists of the Executive Committee members and one Regional Delegate from ten of the twelve sporting regions. In 2014, the management committee met three times by teleconference and held the Annual General Meeting at the State Championships where all regional officials met face to face. Our gratitude extends to all regional delegates and officials for their active participation in decision making for our sport. QPSS Delegate: Paul Martin – Jindalee State School

STATE CHAMPIONSHIPS

The venue for our 2014 State Championships (held from the 12-15 June 2014) was in Townsville, in Northern Region. Townsville is blessed with a wonderful 5 court venue and the 12 years and under championships was the pre-cursor to hosting the combined National Championships at the same venue. Congratulations and thanks goes to the organising committee led by Mr Craig Homer and Ian Johnson (championship convenors) and supported by Rob Armstrong, the Regional School Sport Officer for Northern Region. All games were hard fought with Metropolitan West Girls and Peninsula Boys crowned champions for 2014.

2014 NATIONAL EXCHANGE

The National Exchange for 2014 was held in Townsville from August 16-22. This event is combined with the 18 years National Championships and our Queensland teams held the home court advantage. Queensland had a very successful tournament with 5 out of the 6 teams competing coming away with medals.

The 12 year Girls team finished third after nudging out South Australia (48-46) in the Bronze medal playoff. They had wins against Northern Territory, Western Australia and ACT in their round robin matches.

The 12 year Boys went through the tournament undefeated winning the Exchange with a heart stopping one point victory over the perennial favourites Victoria. Their match against NSW in the round robin matches went to overtime with Qld coming out on top after sinking free throws in extra time to win by 5.

ACKNOWLEDGEMENTS

The executive extends its sincerest thanks to all who contributed to an outstanding State Championships and a very successful National campaign.

Special thanks also go to our colleagues at Basketball Queensland and to all of the Basketball Associations throughout the state for their ongoing commitment and support to 12 years and under basketball.

2015 will be a milestone year as the Queensland 12 years and under Basketball Championships celebrate 20 years. These championships will be held at Auchenflower Stadium in Metropolitan West.

**12 YRS AND UNDER GIRLS CRICKET STATE CHAMPIONSHIPS**

The State Carnival for Girls was very successfully run in Mackay from 16-19 March resulting in a win for Metropolitan West over Darling Downs. Thanks go to Convenor, Shannon Boyle, and his committee for running the carnival. Thanks also to QC Rep Graham Power for his input and assistance at selections.

**GIRL’S NATIONAL EXCHANGE DARWIN**

After an intensive training camp in Brisbane the Queensland Girl’s Team headed off to Darwin where the team finished third with wins over the ACT and Victoria. NSW were the eventual winners. Congratulations to Alan Conroy and Katherine Black for a job well done.

**12 YEAR AND UNDER BOYS CRICKET STATE CHAMPIONSHIPS**

Our boys State Carnival was hosted by Metropolitan West from 30 March to the 3rd April as a precursor to the nationals. The Championships were won by Darling Downs. Our congratulations also go to a very gallant Met West who were runners up. A special thanks must go to convenor Cath Sandurski and her merry band of helpers. Well done.

**BOY’S NATIONAL EXCHANGE-DARWIN**

The Team prepared very well in Bundaburg with thanks to the Kendall Flats Cricket Association. Coach Jason Shears and Manager Clinton Hansen did a great job with the team eventually winning the National Exchange with Victoria. A bad day at the office against South Australia cost the team an outright victory. Congratulations and well done.

ACKNOWLEDGEMENTS

Again this year, as further evidence of the partnership between Queensland Cricket and Queensland Primary Schools Cricket, a Regional Cricket Manager worked with our teams. Thanks are extended to Bruce Deem and Graham Power for their efforts and expertise. This partnership was also evident at the Girls carnival when a series of skill sessions were run by QC personnel at the start of the carnival and an RCM was allocated to each team to assist with warm ups and game strategy etc. This was also evident at the boys carnival where RCMs were attached to SW and NW to perform the same function.

It is all well and good to talk about State and National championships, but nothing would be possible without the tireless work, effort and dedication of the countless teachers and community members at our Primary Schools across the State who, through their love of cricket, give countless hours to keep this great game alive and well. Sincere thanks and keep up the good work.

I extend sincere thanks to Queensland Cricket for their continued support of Queensland Primary School Cricket. I firmly believe that it is only through these partnerships that we will be able to continue to provide a worthwhile and affordable cricket experience at the State level for our Primary School players.

2015 will bring a new partnership between our organization and Queensland cricket, one that we are hoping will secure the financial viability of our organization and its workings into the future.

2015 will also bring a name change to our organization. Our organization will be called Queensland School Sport 10-12 Years Cricket.

On behalf of the committee I would also like to extend our thanks to the regional and state officials who put so much time and effort into their respective teams. Thankyou – a job well done.

Also to Chris Bransdon from the Queensland School Sport Unit, we thank you for helping us with the management of our state teams. Cheers Chris.

We look forward to 2015.

**-highLights of the year**

In 10-12 years Cross Country 9 out of the 10 athletes that competed at the State championships qualified for the state team.

At the Swimming Nationals in Melbourne Noah Robinson was the QSS 10-12years Multiclass swimmer of the meet with 8 gold medals and a bronze. Julia Algie won the 13-19 years Multiclass swimmer of the meet with 5 gold, 2 silver and a bronze. She also won the School Sport Australia award for fair play, due to the great encouragement she gave to all other swimmers. Other outstanding results were performed by Monique Wegener, with 6 gold, 2 silver and a bronze, Lily Boland – 4 Gold and 2 bronze and Katja Dedekind with 2 gold and 6 bronze. The strength of the Queensland team was evidenced in that 22 of the 25 multiclass swimmers went home with at least one medal, and the other three all finished 4th in at least one event.

At 10-12 yrs State Track and Field Championships there were three new championship records. Kyle Haslam – 12yrs boys 100m and 200m, and Naydor Biel – 12yrs girls 200m. Twenty three (23) Queensland athletes were invited to compete at National Track and Field in Tasmania.

Congratulations to Mackenzie Smyth from Capricornia who is the 2014 Sue Fleming AWD Award recipient.

ACKNOWLEDGEMENTS

• Hockey Queensland for allowing us the use of their turf and facilities.
• Greg Gunner and his staff for helping to set up the fields each day.
• Mark Tibbles (RSO) and the Metropolitan North staff for their help and expertise in the organizing of the championship.
• David Halliday who mentored and gave feedback to our students.
• The support of QPSH and in particular their wonderful executive, Vicki Sparkes and Dale Beecher
• Cheryl Jaffrey for her exact score keeping and record keeping.
• Beth Henderson and Mark Carter who organised the souvenir shirts.
• Finally, thanks to all the regions who invited their secondary student umpires to come and umpire for us. The umpires were all co-operative, pleasant young people who undertook their roles conscientiously, were willing to listen to and adopt advice, and worked well together.

STATE TEAM PREPARATION

Prior to departing for the National Championships both the boys and girls teams met in Redcliffe for a two day training camp where both coaches respectively put their teams through their paces. Both the boys and girls teams came together really well and bonded quickly and it didn’t take long for them to start looking, training and playing like a team. The boys and girls finished the training camp with a team building day starting at Mooloolaba SS and finishing at Sunshine Plaza for lunch and a movie. Thanks to Redcliffe Hockey Club for allowing our State teams to use their turf at minimal cost. Their support for School Hockey is tremendous.

Dates: 29th September - 11th October

RESULTS

8 Matches in total played against NZ U21 Maori, Auckland, Wellington, Hawkes Bay, North Harbour - for 4 wins, 2 draws, 2 losses.

HIGHLIGHTS OF THE YEAR

Congratulations to Capricornia on winning the State Championships in Cairns and to Elliot Dale from Northern Region for being named the Player of the Championships. Once again the Queensland 16 and under team has performed very well at the National Championships with a 4th placed finish. The tour of New Zealand continues to be a very competitive international event and has proven to be a great learning experience for the coaching staff and players. New Zealand continues to support our tour by including our games as part of their regional development of players. During the 2 week period the team travelled from Wellington to Auckland with players learning about traditional Maori culture, dances and traditions.
ACKNOWLEDGEMENTS

HIGHLIGHTS OF THE YEAR

Another successful state championship was conducted at which the matches were close and final results came down to the last round of games. Emerald certainly made us all feel welcomed and the outdoor facilities there were of a high standard. Queensland had the opportunity to host the National Exchange in Runaway Bay. It was a wonderful Exchange with all who attended having nothing but positive feedback. Well done Sue Raison. Eight student officials accompanied the Qld team to the National Exchange and these girls were positive role models and amazing ambassadors for netball and Qld. Sunshine Coast will host the 10 – 12 years State Championship which will see the 7 Regional Junior teams being involved in the official Carnival.

ACKNOWLEDGEMENTS

Our thanks are extended to all who are involved with the running of regional trials and the subsequent State Championships, including RSSO's and QSS officers. Thanks go to Belinda Martin and Brooke Elliott for time spent on an exceptionally well-prepared Qld 12 years team and to all those who offered their time and substantial expertise to assist with team training as well. Final thanks are extended to the QSN Executive who maintain the passion for Netball and work tirelessly for the benefit of Primary Netball.

NATIONAL CHAMPIONSHIPS
Host Venue: St Ignatius College Riverview, Sydney
Dates: Monday 30 June to Saturday 5 July
Convenor: Australian Schools Rugby Union & Andrew Elliot (Administrator)

RESULTS
After promising starts to the competition the Queensland teams had to settle for equal third place after playing a tied game in the play-off for third and fourth. The impact of the GPS rugby season to Term 3 means that many of our state players are not as match fit as in previous years

NATIONAL SELECTIONS

Australian Management: Coach: Steve Phillpotts (BBC); Assistant Coach Mike Wallace (TSS); Assistant Manager Noel Gardner (St Edmund’s College, Ipswich)

RESULTS
Australia 50 defeated Fiji 15; New Zealand Barbarians 39 defeated Australia 21; New Zealand 34 defeated Australia 24 – All games were played in the Wellington area

ADDITIONAL ACTIVITIES
Winners of the various school competitions in 2014 were –
AIC: St Edmund’s College, Ipswich
GPS: Churchie, East Brisbane (last won 2005)
TAS: St Columban’s College, Caboolture

HIGHLIGHTS OF THE YEAR
• The Ian MacMillan Memorial Award for the Queensland Schoolboy Player of the Year was won by Harley Fox (ACGS), Harley had an outstanding rugby season in which he was captain of the Queensland 1 at the national championships and then went on to represent and captain Australian Schoolboys in games against Fiji, the New Zealand Barbarians and New Zealand. Harley follows in the footsteps of recent back row recipients in Sean McMahon, Michael Gunn and Brad Wilkin.
• Connor Moroney (GT) won the Bronze Boot Award for his outstanding performance in the test against New Zealand
• Two of our state championships were held in regional Queensland – Toowoomba and Cairns – and the hospitality extended by the country regions is always exceptional. Given the bleak future for billeting the need to keep our country connections needs to remain strong
ACKNOWLEDGEMENTS

• All our teaching staff who gave generously of their time to coach and manage regional and state teams
• The QRFSU Executive especially Darren Kayrooz for their willingness to guide the work of the QRFSU over the past year
• Volvo and the QRU have been of significant support again this year. It remains our key partnership in growing and developing schoolboy rugby especially in areas beyond the AIC and GPS school systems.
• Sunnybank Community and Sports Club has been outstanding in their support of the QRFSU program. Sunnybank beyond what they normally provide hosted the 12 Years State Championship in September and the Jersey Presentation to the Queensland players before the national championships in late June
• All our match officials especially our student officials for committing their time to assist at all our events
• All the staff of the QRU especially Rob Donaghue for their assistance throughout the rugby season
• All the Regional Sports Officers and the staff of Queensland School Sport especially Phil Muller. Phil retired this year from QSS and his contribution to Schools’ rugby over many years has been outstanding. Phil’s contribution was acknowledged at the state dinner in Toowoomba.

GOLDEN GLOVE KNOCKOUT COMPETITION

This year the Golden Glove Softball Challenge was contested as a combination of one day tournaments in regional areas and ‘knockout’ games in the metropolitan area used to decide Area Winners.
The culmination of all these games saw the Area Winners contest the Final Series at Redlands Softball Association grounds. The Finals Series was contested between:

Girls Division
St Ursula’s College (Tmba)
Wellington Point SHS
Chisholm Catholic College Mueller College

Boys Division
Harristown SHS
St Mary’s College (Tmba)
Kedron SHS Wellington Point SHS

The CHAMPION SCHOOLS for 2014 are:
Girls - WELLINGTON POINT SHS (d. St Ursula's College)
Boys - HARRISTOWN SHS (d.Kedron SHS)
Convenor – Katrina Gierke

HIGHLIGHTS OF THE YEAR

Queensland Girls were successful in defending their 2013 SSA Championship win with another close win over New South Wales in the final, and the Qld Boys were also successful in their Invitational Exchange by defeating NSW Boys in the Final.

Recognition of 5 yrs dedication to secondary schoolgirl softball (Corrie Knight Service Award) was awarded to: Georgia Blair – Met North, Cassidy Miles – Wide Bay, Tearnee Morrice – Wide Bay
Recognition of 5 yrs dedication to secondary schoolboy softball (Russell Miller Service Award) was awarded to: Brandon Goffer – Met North/Presidents, Andrew Seabrook – Wide Bay

This year also saw the induction of Helen Beasley and Janelle Anderson as Life Members of Qld School Sport; and of Celine O’Sullivan and Greg Stibbe as Life Members of Qld Secondary School Softball. The committee would like to congratulate and thank each of these recipients for their dedication to softball over an extended period of time in varied roles, without such commitment our sport would not have prospered for so long.

ACKNOWLEDGEMENTS

Thanks to all on the Executive for their ongoing commitment to the sport and their efforts in managing a diverse number of events with ease. Congratulations also to the convenors of each event for the outstanding job they have done in coordinating Secondary Softball across our state this year.

STATE CHAMPIONSHIPS

The 2014 Queensland School Squash State Championships were hosted by Wide Bay and conducted at Bundaberg from 21 May – 25 June. 106 players (another increase) representing 5 regions and a Chair’s Team, in both 15yrs and 19yrs age groups participated in the championships. The Chair’s team consisted of 27 students and many of these were from the Metropolitan North region (if Met North had been able to field their own team, they would have finished 2nd overall). The competition was of a high standard with individual, doubles and mixed doubles matches being conducted.

Once again the winning overall region was Capricornia, which won 3 of the 4 age groups.

Runner up Region: Darling Downs

During the state championships a team was selected to represent Queensland at the annual Interstate Exchange and Trans Tasman challenge with NSW and New Zealand respectively.

STATE TEAM

The Queensland team assembled in Brisbane for the Trans-Tasman Challenge against NSW and NZ from 24 – 31 August 2014.

A combined NSW/QLD team was again selected for a final showdown (Test match) with NZ on the last day of the tournament.

The New Zealand team was very strong and convincingly beat both the QLD & NSW teams. They also proved to be too strong in the Test Match tournament.

2015 Queensland team officials were Rhonda Hite and Cameron Lynch.

The Interstate Exchange saw the Queensland team defeat NSW (250 -120). The Queensland Girls won their section of the competition (89 – 61) and the Queensland Boys defeated NSW (113 – 37). Queensland defeated NSW (48 – 32) in the doubles competition.

All students played at a high standard and were great ambassadors for their state, region and schools. All players were highly motivated and a number improved their individual performances throughout the tournament. They all displayed outstanding sportsmanship and behaviour, both on and off the court.

It has been another outstanding year for Primary swimming. We are very fortunate to have such wonderful support of our committee and the swimming community in general throughout the state which ensures that 10-12 years swimming continues to prosper. I would like to offer my thanks in to the hard working executive committee of Queensland Primary School Swimming. Throughout 2014 you have each worked hard to make sure that our organization ran smoothly. During 2014 our team ensured that swimming opportunities were arranged through both our State and Relay carnivals. We certainly hope that through our collective efforts we have added value to the work of Queensland School Sport. Our committee would like to acknowledge the continued support of Swimming Queensland along with the hundreds of teachers and other volunteers that make sure swimming takes place across our State. As always your support is critical to our current and future success. 2014 was a massive year for Queensland Primary School Swimming and we can hardly wait to see what unfolds in 2015.

**STATE CHAMPIONSHIPS 10-12 YEARS BOYS AND GIRLS**

Host: Northern Region
Venue: Chandler Swimming Complex, Brisbane
Dates: 24-26 March, 2014
Convenor: Michael Vaughan

The Northern Region hosted this year’s Championships together with the Committee and Wayne Beeston from Darling Downs Region. Without the efforts of this co-ordinating group our Championships would not have been the success that they were. It all resulted in an amazing high quality opportunity for our Queensland swimmers to shine.

**NATIONAL CHAMPIONSHIPS 10-19 COMBINED PRIMARY AND SECONDARY, MALE AND FEMALE**

Host Venue: Melbourne Sports and Aquatic Centre
Dates: Sunday 20 July to Saturday 26 July.

**Coaches**: Darren Stewart – Toowoomba SS, Drew Millar – Woodridge SHS
Multi-class Managers: Jenny McLeod – Biloela State School (SEU), Robert Wilson – Bayview SS
**Tour Manager**: Glenda Price - Boondall SS

Our Queensland team managers did a superb job ensuring that the needs of our swimmers were more than catered for. Prior to and after each national event all Queensland Managers do many hours to prepare uniforms and take care of the huge amount of paperwork that allows our team to participate. Ensuring that all these important tasks are completed while working full time as teachers is very impressive indeed. Our Queensland Managers genuinely enjoy what they do and value being able to provide opportunities for young people to be involved in swimming at the elite level. The personal commitment and dedication of our managers and executive is extraordinary and it is a pleasure to lead such a hardworking team.

Elijah Winnington was named SSA male “Swimmer of the Meet”. He received a certificate. Julia Algie received the SSA Sportsmanship Award.

Trophies were presented to our state team award recipients at the final team meeting. The following swimmers were recognised for their individual achievement:

**RELAY CARNIVAL**

The Annual QPSS Invitational Relay Meet was held at Brisbane Aquatic Centre, Sleeman Sports Complex, Chandler on Friday 21 November 2014. Three hundred and forty schools were invited to participate in this event. Thirty-seven schools participated on the night, with a total of 315 teams. The night attracted 737 swimmers.

Swimmers continued to enjoy the night, with pennants being the ultimate goal for each team. It was great to see interest from a variety of new schools that have not competed before and also the continued support from our regular supporting schools.

On behalf of the QPSS committee, I would like to acknowledge the incredible efforts of Glenda Price the carnival convenor, for her outstanding efforts in staging another wonderful Relay Carnival. As usual it was a well run carnival and this was largely because Glenda and her team of volunteers who helped on the night worked tirelessly to provide another quality swimming opportunity. Swimmers both experienced and novice took the opportunity to take part in a team friendly swimming carnival. As a committee Queensland Primary school swimming are pleased to be able to host this relay carnival each year as a way of encouraging and developing young swimmers in Queensland.

**ACKNOWLEDGEMENTS**

- Thank you to all of the officials, teachers and students that assisted with the 2014, 10 - 12 Years Swimming Championships, in particular the Swimming Queensland technical officials.
Thank you to Elite Merchandise for their continued sponsorship and for supplying us with our souvenir apparel for States and Nationals.

Thank you to the members that consistently attended committee teleconferences throughout the year.

During 2014 the School Sport Unit has continued to provide advice and support of our Committee. This level of support is greatly appreciated by our Committee.

**Highlights Of The Year**

Glenda Price – Qld Secondary School Swimming Service Award

**Acknowledgements**

Thank you to the School Sport Unit for their ongoing support throughout the year. A special vote of thanks to Phil Muller for his many years of endless support of both swimming committees.

Thank you to the QSSS committee, especially Brett McDonald, for convening another successful State Championship.

We also appreciate the annual assistance provided at our Championships by Michael Vaughan, Trish Wilmott, Peter Burrows, Bill Maalsen and Jaime Harris.

In addition, thank you to all of the teachers, parents and Swimming Queensland technical officials that assisted with the 2014 13 – 19 Years State Swimming Championships.

We also value the sponsorship support provided by Gareth Skyes of Elite Merchandise.

We would like to extend our appreciation to Margot Feierabend for coordination of the State dinner and Maddi Wilson who was our guest speaker on the night.

We greatly appreciate and thank our Queensland Team Officials who attended the 2014 National Championships in Melbourne.

Finally, we would like to extend our gratitude to our committee members who consistently attend our meetings throughout the year.

Highlights of the Year

Everyone was looking forward to Darwin and the Bruce Cup, this year also included an extra National Singles event. Being one of the strongest States our players were involved in extra singles matches every day following the Teams event. This meant very long days with the average being 13 hours per day of tennis. Our players did very well in the Individual event and two of our girls played the final. Two other girls were also in the top 8. We also had 3 of our boys in the top 8.

Acknowledgements

I would like to thank all the Regional Managers and Coaches for their support throughout the Year. They all work hard for the children in their Regions. Also a big thank you to Queensland School Sport for their help and advice. Many thanks to Tennis Queensland who supported the Bruce Cup and helped where needed particularly on the training day where extra Tennis Queensland Coaches came and gave advice and did drills with the children. Their input in the State Championships was also much appreciated particularly in doing the draws at such short notice.

Finally I would like to acknowledge Grant Shields who has retired from being the Manager/Coach of the Bruce Cup Team. It has been a pleasure to work with Grant over the years and I will miss him greatly. His advice and support when things got tough was much appreciated and he was always there when needed. Thank you for your contribution over the years.

STATE CHAMPIONSHIPS

The State Championships in 2014 were held in the Capricornia Region at the Mackay Touch Fields from Thursday 21st – Sunday 24th August. The Championships were convened by Paul Manttan. All twelve regions participated in both competitions. The Tournament was played over four days using a round robin’ format. At the completion of the ‘round robin’, the top two teams played in a Grand Final to decide the State Champions.

At the conclusion of the State Championships, two state teams were selected and these students contested the National Championships in Morwell, Victoria in October.

ACKNOWLEDGEMENTS

Thank you to Capricornia Region for hosting the 2014 Championships. A partnership agreement has been established with Struddy’s Sport to provide our playing balls and awards. Queensland Touch has continued with their sponsorship and we are grateful for their financial support with our state teams.

Thanks must be given to the School Sport Office for their guidance throughout the year. I wish to acknowledge all the sponsors, helpers and billeting families that made 2014 a most productive year for Primary Touch. In 2015 our State Championships are being played in the Darling Downs Region. In closing I would also like to recognize my executives for their effort and their enthusiasm to their role. I would like to make special mention of Linda Ashburn secretary since 2003 who vacated her executive role. Linda has continued her involvement in Touch as the Student Manager Official for junior referees.

NATIONAL CHAMPIONSHIP 12/14/15/18/19 YEARS BOYS AND GIRLS
Host Venue: Penguin, Tasmania
Dates: December 2014

The Queensland team finally consisted of 112 children - 47 girls and 63 boys.
The team included 16 athletes with disabilities (AWD), 5 girls and 11 boys.
All 12 of the Queensland School Sport regions were represented in this years’ team, including a student from North West.

Steve Hooker, Olympic Pole Vaulter and Australian Track & Field representatives Brendan Cole, Kelsey-Lee Roberts and Kelly Hetherington detailed their athletic experiences to the Queensland athletes and encouraged them to dream big and continue to train hard for their events.

4 Queensland Para-athletes set new records in their classifications:
Mackenzie Smyth T/F01 - 12 yrs 800m
Adrian Townsend T/F38 - 10 yrs 100m, 200m, 800m & Long Jump
Jessie Venner T/F20 - 12 yrs 800m
Kanako Weightman T/F37 - 10 yrs 100m, 200m & Long Jump

Competition records were also set by 3 able-bodied Queensland athletes:
Amy Brice 12 years girls Multi Event 1314 points bettering the previous record by just over 100 points
Lukas Ripley 12 years Boys Discus 58.31m bettering the previous record by just under 2m
Levante Su’mai 12 years girls Discus  45.32m bettering the old record by 58cm.

Again our Relay teams performed extremely well and maintained a strong tradition of excellence across the 100m events.

Congratulations to the following Queensland team officials who were awarded the School Sport Australia Service award in recognition of their contribution to Track & Field. Congratulations are extended to Mr Mal McArthur, Mr Nigel Rosenthal and Ms Dale Spinks.

**ACKNOWLEDGEMENTS**

The success of our competitors at a State and National level continues to be supported by the active involvement of a number of teachers. This begins at the local school level and leads to District and Regional representative pathways. These teachers not only encourage and coach the athlete but also act as officials at each of the carnivals and on behalf of the Primary T&F Committee I sincerely thank all teachers for this active and supportive involvement.

Special thanks also to the Nigel Rosenthal and Stephanie Hawgood who again contributed many extra hours towards the running of the State Championships. Also to Dale Spinks for her huge organizational effort as Queensland Team Manager and to the coaches and managers who supported the athletes in their training and competition events in Penguin, Tasmania.

In 2015 the State Championship returns to Townsville and we look forward to providing this opportunity for our athletes to compete in one of Queensland’s major regional centres.

HIGHLIGHTS OF THE YEAR

• The Queensland Schools’ Triathlon team once again performed at the highest standard in the School Sport Australia Championships. Queenslanders won both the Relay Trophy and Overall Trophy, as well as bringing home seven individual medals and nine relay medals.
• The QSS Triathlon Championships continued to increase its participation numbers with 340 athletes from ten regions competing in Triathlon and 160 athletes from nine regions competing in Aquathlon.
• Seven past Queensland Schools’ Triathlon team members were selected in the Elite and Junior teams that represented Australia at the ITU World Championships & WCS Final which were held in Edmonton in September. The following athletes achieved a top 10 result:
  Junior Calvin Quirk [Sth C] 2nd Brittany Dutton [MN] 6th
  Other team members were:
  Junior - Sophie Malowiecki [MN] Matthew Roberts [MN]
• Commonwealth Games
  Emma Jackson [5th] Ashleigh Gentle [9th] Daniel Wilson [9th] were members of the Australian team which competed in Glasgow. Emma was also a member of the mixed relay team, which won the bronze medal.
• Youth Olympic Games
  Brittany Dutton [MN] had an outstanding performance representing Australia in Nanjing where she won the Gold Medal. Matthew Hauser [WB] was also selected in this team but could not compete due to a cycling accident.
