3.2 State Championship Competition Rules

3.2.1 Individual events

3.2.1.1 Nominations

3.2.1.1.1 A region may nominate a maximum of six competitors for each individual event in all divisions.

3.2.1.1.2 A maximum of three additional competitors may be nominated by each region across the entire regional team (10-19 years), at the discretion of the region. These selections must be approved by both committee executives after provision of a written justification of the inclusion from the region, which should include evidence of the athlete’s previous performance. Nominations for additional athletes must be submitted to both committee chairs one week prior to the close of nominations.

3.2.1.3 An athlete must compete in an event for which their age makes them eligible.

3.2.1.4 In a year in which School Sport Australia selects a representative team to compete in the International School Sport Federation Cross Country Championships, an athlete from the 14 years or 15 years age group may compete in the 16 years event in order to be considered for selection in the
Queensland 16/17 years team. Only athletes competing in this division are eligible for selection in the Australian team.

3.2.1.5 In a year in which School Sport Australia selects a representative school team to compete in the International School Sport Federation Cross Country Championships, athletes from 14 years, 15 years and 17 years age groups who form part of a school team may compete in the 16 years event in order to be considered for selection as the school team representatives for Queensland. Students who are part of a school team but are not also a member of the regional team may compete in the 16 years event for the purpose of their school gaining selection, but will not be considered for points towards the regional result or for selection in the Queensland Team.

3.2.1.2 Dress

3.2.1.2.1 The region will determine the uniform to be worn by athletes from the region.

3.2.1.2.2 If compression garments are worn, a complete official regional competition uniform (top and bottom) must still be worn over the compression garment unless the compression garment is an official part of the regional uniform and is in regional colours. Compression socks may be worn provided they are consistent with regional colours.

3.2.1.2.3 Where provided, athletes are to wear the allocated competition number bibs on the front and the back of the uniform.

3.2.1.2.4 The wearing of numbers by each competitor is compulsory in all events.

3.2.1.2.5 Footwear

3.2.1.2.5.1 Athletes must not compete in bare feet.

3.2.1.2.5.2 Footwear must be worn by all athletes and must comply with IAAF Rule 143.

3.2.1.2.5.3 Shoes with or without spikes may be worn in 13-19 years events. No spikes are permitted in 10-12 years events.

3.2.1.2.5.4 The surface conditions of the running course should be considered when making a decision concerning the use of spikes.

3.2.1.2.6 Competitors not correctly attired, may be withdrawn from the event by the race referee.

3.2.1.3 Identification and recording

3.2.1.3.1 Competitors will be given a timing chip which must be worn as designated by the committee. This must remain intact and interference with this chip will result in disqualification.

3.2.1.3.2 Numbers will be allocated and provided by the championship organising committee.
3.2.1.3.3 Where provided, each competitor must wear two race bibs (numbers), one on the front and one on the back of the uniform. The number must be positioned so that it is clearly visible from a distance of 20 metres.

3.2.1.3.4 Number bibs must be pinned at all four corners so that the entire bib is easily read. Number bibs are not to be altered or folded. Pins for these number patches will be supplied.

3.2.1.3.5 Athletes not wearing both the approved bibs will be subject to disqualification.

3.2.1.3.6 In a year in which School Sport Australia selects a representative school team to compete in the International School Sport Federation Cross Country Championships, athletes who form part of a school team, whether part of a regional team or not, will be identified with a coloured wristband which must remain intact for the duration of the 16 years race.

3.2.1.4 Course

3.2.1.4.1 Runners should familiarise themselves with the respective course for their age group. Designated course inspection times will be made available to all athletes.

3.2.1.4.2 Keep the white markers on the right and red markers on the left and follow directional signs and marking tape at all times. Yellow cones (turns) and bunting may be used where appropriate.

3.2.1.4.3 Runners must follow the directions of course marshals at all times.

3.2.1.4.4 Where possible, the start should consist of an uninterrupted straight of at least 150m so as not to disadvantage any athletes.

3.2.1.4.5 Where possible the start line should be wide enough for all runners to stand on the start line.

3.2.1.4.6 A maximum of 2% variance in race distance is considered accurate i.e. 20m per 1km.

3.2.1.5 The finish

3.2.1.5.1 The finishing place and time for all athletes will be recorded electronically as the athlete crosses the finishing line, via the timing chip provided to the athlete.

3.2.1.5.2 A video camera will also record the finish of each race.

3.2.1.6 Water stations

3.2.1.6.1 Water will be provided at the finish line.

3.2.1.6.2 On a multiple loop course, the finish drink station can double as a drink station at the completion of each lap.

3.2.1.6.3 If the weather conditions are excessively warm, consideration can be given to at least one aid station located at another position on the course.
3.2.1.7 Assistance to athletes

3.2.1.7.1 Team managers are, in particular, referred to Rule 144:3 (B) of the IAAF rules.

3.2.1.7.2 For the purpose of this rule the following are considered assistance and are therefore not allowed: possession or use of video recorders, radios, MP3 players, mobile phones or other communication devices by athletes in the marshalling area or on the course, unless deemed appropriate by the Referee.

3.2.1.7.3 If a coach or other person runs beside the course for more than a reasonable distance (as determined by the race referee) it may be considered as outside assistance. Course officials can make a report on such person and the athlete. The Referee will make a decision on the report and determine the penalty.

3.2.1.7.4 Note: refer to Appendix 1 – Sighted Guide Guidelines for visually impaired athletes.

3.2.2 Relay events

3.2.2.1 Team entries

3.2.2.1.2 Composite teams (e.g. combined 13 years and 14 years competitors who must compete in the older age group), will be permitted when regional nominations are insufficient to permit a complete team to be nominated in an event.

3.2.2.1.3 An athlete must have competed in an individual event to compete in the relays.

3.2.2.1.4 An athlete must not run twice in the same race and must not compete in two relay events, unless approval is sought from the championship organising committee in consultation with the committee executive.

3.2.2.1.5.1 Athletes will compete in an all age, mixed gender relay team of three to six athletes.

3.2.2.1.5.2 Where six athletes comprise a team, runners five and six will start the final lap together. Only one of these athletes needs to be tagged by the fourth runner.
3.2.2.1.5.3 The time of each runner will be scored using the multi-disability standards scoring procedures.

3.2.2.1.5.4 The teams will be placed according to the average of these percentages.

3.2.2.1.5.5 Composite teams will be permitted when regional nominations are insufficient to permit a complete team to be nominated in an event.

3.2.2.1.6 In a year in which School Sport Australia selects a representative school team to compete in the International School Sport Federation Cross Country Championships, school team members who are not members of regional teams are ineligible to compete in relays.

3.2.2 Uniform

3.2.2.3 Recording

3.2.2.3.1 Team managers will be expected to record results for their own team. Recording officials will be located near the changeover area and will record results (names of athletes and elapsed times) on the forms provided. These will be collected by officials at the completion of each race.

3.2.2.3.2 Official judges will record the placing of each team as it finishes.

3.2.2.4 Changeover/assembly area

3.2.2.4.1 Prior to each event, all athletes in the event are to assemble in the designated area adjacent to the start/finish/changeover line.

3.2.2.4.2 Runners two to six (where applicable) are to remain in the assembly area until instructed to move on to the course.

3.2.2.4.3 The athlete running the next lap must be standing on the start finish/changeover line and be stationary when contact is made by the incoming runner for the changeover.

6.2 Selection Policy Guidelines

6.2.1 Criteria for team selection

6.2.1.1 The major criterion for selection will be the performance of the athlete at the Queensland School Sport Cross Country Championships. Areas of performance considered should include:

6.2.1.1.1 The placing and time recorded by the athlete in the qualifying event.

6.2.1.1.2 The attitude and behaviour of the athlete.

6.2.1.2 Athletes accepting selection in this team must be present for all four days at the Australian championships and participate in all programmed activities as directed by team managers. Exceptions to this may be granted to year 12 students in the event of the championships falling on the weekend immediately prior to the Queensland core skills test. This exemption must be applied for in writing with the return of team paperwork and payment.

6.2.2 Years’ 10-12 Queensland team selection

6.2.2.1 Six runners from each age group and sex will be invited to attend the School Sport Australia Cross Country Championships. Two runners per age group will be listed as reserves. Should athletes be withdrawn, reserves will be invited to join the team.

6.2.2.2 Three (3) athletes in each gender division in the 10 years, 11 years, 12 years multi class events will be invited to attend the School Sport Australia Cross Country Championships, providing the national qualification and classification standards have been met. In the event that an age/gender division does not have three (3) qualifying athletes, athletes in another age/gender division may be selected if they meet the qualifying standards to make a total of 18 athletes across 10-12 years team. These selections
will be made based on the next highest performing athletes, based on the athlete’s percentage of the MDS achieved during the championship.

6.2.2.3 All selected athletes must collect team paperwork from the team managers at the state championships, and submit a uniform order form (regardless of whether any items are being purchased) to confirm selection in this team.

6.2.3 Years’ 13-19 Queensland team selection

6.2.3.1 A maximum team size of 60 able-bodied athletes will be selected. A minimum of 3 athletes will be selected in each age group (13, 14, 15, 16, 17, 18/19 years) in both boys and girls divisions. The remaining 24 team selections will be made in accordance with School Sport Australia event divisions (13, 14/15, 16/17, 18/19 years) based on the next best-performed athletes across the total team.

6.2.3.2 In addition to the team of 60 athletes, a squad of reserve athletes (the next best performed athletes participating in the championships) will be named by the selectors. These will be announced in alphabetic order regardless of sex or age.

6.2.3.3 In the event of an athlete withdrawing from the team of 60, the selectors will name an athlete from the reserve squad, deemed to be the next best performed athlete, to be added to the team. This athlete may not be of the same age or gender as the withdrawn athlete, and will be notified of their eligibility as soon as a position becomes available. In the event of late withdrawals, reserves may not necessarily be appointed as replacements.

6.2.3.4 Three (3) athletes in each gender division in the 13 years, 14/15 years, and 16-19 years multi class events will be invited to attend the School Sport Australia Cross Country Championships, providing the national qualification and classification standards have been met. In the event that an age/gender division does not have three (3) qualifying athletes, athletes in another age/gender division may be selected if they meet the qualifying standards to make a total of 18 athletes across 13-19 years team. These selections will be made based on the next highest performing athletes, based on the athlete’s percentage of the MDS achieved during the championship.

6.2.3.5 All selected athletes must collect team paperwork from the team managers at the state championships, and submit a uniform order form (regardless of whether any items are being purchased) to confirm selection in this team.

Sighted Guide Guidelines

The following has been collated from existing guidelines by both the Australian Blind Sports Federation and the International Blind Sports Association. Some changes have been made to suit the nature of cross country.

1. The guide runner must wear a bright orange bib saying ‘guide runner’. This will be supplied by the organising committee.

2. It is the responsibility of the guide to ensure that the athlete is properly orientated in the start position. The athlete must have a guide for the entire race.

3. Athletes must bring their own guide to the championship or contact the Multi Class convenor.

4. Competitor and guide are in competition to be regarded as a team.

5. As a blind runner crosses the finish line or relay change-over line, the guide must be behind the athlete.

6. The method of guidance is the choice of the athlete. Athletes with a T11 classification must have a guide and athletes with a T12 or T13 classification may have a guide.

7. The athlete may choose to use an elbow lead, run free or be tethered with the guide by looped elastic or a short open ended rope which allows the athlete and guide to be separated by no more than 50cms.

8. Holding the athlete, or the athlete’s clothing is not permitted. An exception to the rule may be allowed if the guide is needed to assist the athlete over an obstacle. An official needs to be consulted prior to the athlete’s event if this is required.

9. The athlete may receive verbal instruction from the guide.

10. At no time may the guide pull the athlete, or propel the athlete forward by pushing. Infringement of this rule may lead to disqualification – except where identified in number 8.

11. Over distances of 1500m two guides are allowed. Only one exchange of guides is permitted for each runner. No runner may be accompanied by more than one guide at a time. The exchange must take place without hindrance to other runners. The intention to change guides must be notified in advance to the officials. The officials will determine the conditions of the change-over.

12. Sighted guides must be aware of competition procedures.

13. During relay races, the touch between athletes can occur either between the athlete and next athlete or the guide and the next athlete. The guide, however, must be behind the incoming athlete at the relay change-over line.

14. Sighted guides must be at least 17 years of age.
